

# **The 2,300 year Prophecy**

## **Daniel 8:14**

**The Bible's longest time prophecy has within it a number of other time related prophecies. By these, especially the 490 year prophetic segment, the 2,300 year prophecy can be confirmed by the pages of history.**

**Some of the time prophecies found within the greater length of the 2,300 year prophecy are:**

**The 2,300 year prophecy; B.C. 457 to 1844.**

**The 490 year prophecy; B.C. 457 to 34 A.D.**

**The 360 year prophecy; B.C. 31 to 330 A.D.**

**The 391 year prophecy; 1449 to 1840.**

**The 1,335 year prophecy; 508 to 1843.**

**The 1,290 year prophecy; 508 to 1798.**

**The 1,260 year prophecy; 538 to 1798.**

We begin in B.C. 606 with the Babylonian (and later, Persian) captivity of Israel, which would last 70 years, Jeremiah 25:11. Daniel, taken prisoner and then a slave, is being prepared by our Lord to author the book that will bear his name.

**B.C. 457 to 34 A.D.**

**490 years (70 weeks)** to the final rejection of the gospel by Israel, Daniel 9:24.

**483 years** to the Messiah's Baptism (**69 weeks**) in 27 A.D.

**The Last Seven years**

3.5 years for Christ's Ministry; beginning with His baptism and ending with His crucifixion in 31 A.D. (a half week); followed by another 3.5 years of grace. The last seven years then terminate with the martyrdom of Stephen in **34 A.D.**

**1,810 years remain to the "Cleansing of the Sanctuary" and the termination of the 2,300 years on October 22, 1844**

**B.C. 457 Begin** the '2,300 year' prophecy, by decree to restore the Temple, Daniel 8:14, 9:25, Ezra 7:7.

**B.C. 31 Begin** the '360 year' prophecy. Under Rome's 2<sup>nd</sup> head, 'Consular' it became a world power, Daniel 11:24.

**[A.D. 330 End** the '360 year' prophecy, under Rome's 6<sup>th</sup> head, 'Imperial', when Rome lost its world power status.]

**27 A.D.** Baptism of Christ, Acts 10:37-38.

**31 A.D.** Crucifixion of Christ, Matthew 27:32-56.

**34 A.D. End** the 490 year prophecy, Stephen martyred, Acts 7:54-60.

**476. Begin** the 7<sup>th</sup> head of Rome, the 'Exarchate of Ravenna'. The 6<sup>th</sup> head, 'Imperial' had fallen; "seven heads/kings", Rev. 17:8.

**496. Begin** King Clovis of the Franks (later France) becomes the civil arm of the papacy enforcing its political interests and will. France would continue to be the civil arm of the papacy throughout the 'dark ages'.

**508. Begin** the ‘1,290 year’ and ‘1,335 year’ prophecies, Daniel 12:11-12. The Papal power is setup by King Clovis, of the ‘Franks’. Justinian, the Eastern (Turkey) Roman Emperor, joins this alliance of civil and religious power. The 1,335 year prophecy terminates in 1843.

**538. Begin** the ‘1,260 year’ prophecy, Daniel 7:25. The Papacy gains all power as the ‘8<sup>th</sup> head’ of Rome, severe persecution, enforced by France, follows with the “dark ages”. The 8<sup>th</sup> head came from all the best aspects of the seven heads before it. The papacy is in fact the 8<sup>th</sup> head, though it is often mistaken for the 7<sup>th</sup>.

**800. Begin** King of the Franks, Charlemagne (the Father of Europe) establishes the ‘Holy Roman Empire’ and becomes Emperor of same.

**1449. Begin** the ‘391 year’ prophecy of Rev. 9:14-15.

**1840. End** the ‘391 year prophecy’, and the 2<sup>nd</sup> Woe under the 6<sup>th</sup> Trumpet. This remarkable fulfillment of prophecy results in great power for the first and second Angels Messages, Rev.14:7-8.

**1793. Begin** the French Revolution; causes the Papacy to lose much of its power and lands, persecution ends. See Matt. 24:21-22 and Daniel 12:11; the 1,260 years of persecution noted in verse 21, were to be “shortened” in verse 22.

**1798. Begin**, the ‘time of the end’, the ‘deadly wound’, the ‘little Book’ of Daniel opened. **Daniel 11:40** (the “*time of the end*”) **to 43** is fulfilled first by Napoleon (“*the king*” of Daniel 11:36) invading Egypt, the king of the south, who “*pushes back*”. The king of the north, allied with England and it’s “*many ships*” then come against Napoleon in support of Egypt; driving him back to France in 1799.

**1801. Begin** ‘deadly wound’, ‘healed/healing’ by the “*Concordat of 1801*” when Napoleon re-establishes a Pope. The “beast” and it’s “image” will be fully healed only when its power to condemn “heretics” to death is restored by order of a ‘death decree’, Rev. 13:15.

**1831. Begin** William Miller and the Advent Movement. Rev. 10:1-7 speaks of this time as the “Seven Thunders” (1831 to 1844).

**1844. End** the 2,300 year prophecy, October 22. The time here stated is based on the Jewish 'Karaite Calendar'. Which shows the "Day of Atonement", in 1844 occurred on this day.

**Begin** the 7<sup>th</sup> Trumpet, the Third Angels Message, Rev, 14:9, the cleansing of the sanctuary, Daniel 8:14. The books of Judgment are opened, Daniel 7:9. When the cleansing of the record books in the heavenly sanctuary, and the final atonement for sinful man has ended, the books are closed. Every man's "reward" has then been determined. No man knows the "day or the hour", Matthew 24:36, when this work, these 'days of atonement' will close.

**1853. Begin** the fulfillment of **Daniel 11:44**, as seen in the Crimean War of 1853-1856.

**1856 to ?????** When the king of the north in **Daniel 11:45**, "*comes to his end*", then the cleansing of the sanctuary will be complete and probation for mankind will forever close. This is when Michael, who is Christ, "*stands up*", **Daniel 12:1**. At this time **Rev. 22:11** will also be fulfilled: "***He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.***"

We stand on the threshold of eternity, each of us, about to face our life's record. But those who trust in Jesus have an advocate and have nothing to fear from the judgment. For it is given unto, that is in favor of, the saints. Amen!
